

LMPSU Meeting Minutes - June 19, 2019

Next Meeting - In 1 month

By Next Meeting

- Project leaders - make a detailed plan of events you are leading and upload to LMPSU google drive
 - Week by week plan is OK
 - Want to include: when, where, estimated costs
- Need 4 people to sign up for clubs fair and street fest - sign up on annual plan doc
- Vote on conference topic
- Announcements about LMPSU events, mentorship, merchandise competition at department 2nd year reception (June 27)
- Set dates for summer BBQ, LMPSU 2nd year reception

Communication & Documents

- Will pick meeting times via doodle poll
- In person meetings better than online
- Most work will be done in project groups outside meetings
- Cc impexecs@gmail.com for LMPSU stuff
- Upload docs to impexecs@gmail.com drive
- Contacts
 - Dr. Lee, Dr. Mekhail - undergrad coordinators
 - Louella

Annual plan

<https://docs.google.com/spreadsheets/d/1kR6P357xD2HBG9hpOoRAipZTXmfz-QLjZHTkbFzVwc/edit?usp=sharing>

- Rough guideline for now
- Due dates posted beside events
- Project leaders listed in bold
- Reach out to project leader if interested in participating in running event
- Need 4 people to sign up for clubs fair and street fair → sign up on doc
- Have a meeting/touch base with the person who was in your role before → Laura can put you in touch

Conference brainstorm

- Topics
 - Preferably LMP related
 - I. Personalized medicine - could look at stem cells, genetics
 - II. Psychedelics - not related enough to LMP?

- III. Cancer - adaptive/personalized therapies (ex. CART cells), overtreatment/overdiagnosis of cancer, how addressing cancer has changed over time
- IV. Women's health, forensics in the context of women's health (could be for academic seminar or conference)
- V. Gut microbiome
- VI. Regenerative medicine and transplants - ex. Spinal cord injuries, brain injuries
- VII. Geriatrics
- VIII. Pediatric medicine
- IX. Nutritional science - ex. Balanced diet
- X. How policy and science work together
- XI. Emerging disease/viruses/vaccination - ex. Viruses that cause cancer
- Ideas Timeline
 - Run ideas past Dr. Lee and Dr. Mekhail → they can point to people who would be good speakers
 - Have a vote next week on topic
 - July - email speakers for conference (5-6 people responsible for this)
- Collaboration with another club → better to keep conference within LMP b/c more organized

Summer BBQ

- Doodle poll to set date
- LMPSU will cook the food
- Richard + helpers - logistics of getting the food
 - Costco run for food - could rent a car
 - Or local grocery store
- Team: Jerry, Richard, Alex, Nicole, Ziqi (has grilling experience)
- Main: send out invites, food
- Mentorship mix and mingle - want people to meet mentors and connect before agreeing to the relationship

Second Year Reception

- LMP department is hosting their own on Thurs, June 27
 - MaRS building
 - Talk about LMPSU events and mentorship program
 - Hype up our own 2nd year reception, election for 2nd year rep
- LMPSU Reception
 - Set the date for 2nd-3rd week of Sept
 - Scavenger hunt - finding spicy ramen (and eat after)
 - General election (2nd year rep)
 - Social event + mentorship mix and mingle after election
 - Mentor/mentee jeopardy?
 - Team: Alex (election), Nicole (social aspect), Mike & Laura

Mentorship Program

- Lead: Karen
- Will be eligible for CCR credit
- Anyone can be paired with person 1 year above them
- Required: 3 meetings per semester
 - Want to structure meetings - ex. meeting in Jan could be centered around getting summer research (resume writing, writing emails to profs)
- Option to sign up as mentor/mentee pair or be matched to someone
- Accepting pairs til late Sept
- Check in with Dr. Templeton/Dr. Lee at the end of each semester

Funding

- Want to apply early
- Need reference from Dr. Templeton/Dr. Lee/Dr. Mekhail

Merchandise

- Lead: Dave
- Have a competition for designs - at the start of year (more hype for merch then)
- If merch is done before conference - can wear and sell it there
- Make an announcement at the 2nd year reception about merch competition

Exec Bonding

- \$200 budget
- Beginning of the year (weekend in Sept)
- Toronto island - can get a grill for \$100, or UberEats
- Renting BBQ in a building
- Nicole condo/Dave condo - party room
- Poll to decide what to do

LMP thread on reddit → can ask about LMP, courses
